

Referral

Patient Name: Isagi Yochi

Patient Address: asd

Patient Serial No: serial3

Description: masakit ang tiyan

Diagnosis: Ulcer

Medicine: healthy diet, Gaviscon

To Whom It May Concern,

I am writing to request a referral for our patient, Isagi Yochi, to see a specialist in [Specialty]. After a thorough examination, it has been determined that a consultation with a specialist is advisable to provide the most appropriate care for Isagi Yochi medical condition. We kindly request your assistance in coordinating this referral. We believe that your expertise in the field of [Specialty] will greatly benefit the patient. Please provide us with the necessary details for scheduling an appointment, and we will ensure all relevant medical records are transferred to your office. If you require any specific information or documentation from our end, please do not hesitate to let us know. We are committed to ensuring a smooth and efficient process for the patients referral. Thank you for your cooperation and your dedication to providing the highest quality of care to our patient. We trust that Isagi Yochi will be in capable hands under your guidance.

Sincerely,

Doctor: Ricky Sanchez
